

INDEPENDENT AUDITORS' REPORT

To
The Members of
Afco Industrial and Chemicals Limited

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying Ind AS financial statements of Afco Industrial and Chemicals Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as Ind AS Financial Statements).

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;
 - e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.

Chandabhoy & Jassoobhoy

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in para 1 of Independent Auditors' Report of even date to the members of Afco Industrial and Chemicals Limited on the Ind AS financial statements for the year ended 31st March 2018.

- i) a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. We have been informed that the fixed assets have been physically verified by the management at reasonable intervals and the discrepancies noticed on verification between the physical assets and the book records were not material and these have been properly dealt with in the books of account. In our opinion, the frequency of verification of fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
 - c. According to the information and explanations given to us and based on the records examined by us, the title deeds of the immovable properties are held in the name of the company.
 - ii) The Company did not have any operations during the year. Accordingly, the provisions of Clause 3 (ii) of the Order are not applicable to the Company.
 - iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to any company, firm, Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of Clause 3 (iii) of the Order are not applicable to the Company for the year under audit.
 - iv) According to the information and explanations given to us, the Company has not given any loan or guarantee or provided any security nor made any investments as specified in Section 185 and 186 of the Act. Clause 3(iv) of the Order is, therefore, not applicable to the Company for the year under audit.
 - v) The Company has not accepted any deposits during the year and hence the directives issued by Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and rules made thereunder are not applicable to the Company.
 - vi) According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013.
 - vii) a. According to the information and explanations given to us and the records of the Company examined by us, the Company has been generally regular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, profession tax, cess and any other applicable statutory dues with the appropriate authorities. According to the information and explanations given to us, there are no material undisputed statutory dues outstanding as at March 31, 2018 for a period of more than six months from the date they became payable.
 - b. According to the information and explanations given to us, there are no dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute as at March 31, 2018.
 - viii) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any loans from any financial institutions or banks or Government nor has it issued any debentures.
- The Company has not raised any money by way of public offer and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company for the year under audit.

Chandabhoy & Jassoobhoy

Chartered Accountants

- x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees was noticed or reported during the year.
- xi) According to the information and explanations given to us and based on the records examined by us, no managerial remuneration has been paid or provided during the year. Accordingly, the provisions of Clause (xi) of the Order are not applicable to the Company for the year under audit.
- xii) According to the information and explanations given to us, the Company is not a Nidhi Company and hence Clause 3(xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us, all transactions with related parties are in compliance with Section 177 and 188 of the Act where applicable and details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- xiv) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and therefore, provisions of clause 3(xiv) of the Order, 2016 are not applicable to the Company.
- xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Clause 3(xv) of the Order is, therefore, not applicable to the Company during the year.
- xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Clause 3(xvi) of the Order is, therefore, not applicable to the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in para 2 (f) under 'Report on Other Legal and Regulatory Requirements' in of the Independent Auditors' Report of even date to the members of Afco Industrial and Chemicals Limited on the Ind AS financial statements for the year ended 31st March 2018

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Afco Industrial and Chemicals Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

Chandabhoy & Jassoobhoy

Chartered Accountants

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Afco Industrial and Chemicals Limited

Notes to the financial statements (Continued)

for the year ended 31 March 2018

(Currency: Indian rupees)

1. Company overview

Afco Industrial & Chemicals Limited ("the Company") is a public limited company incorporated under the Companies Act, 1956 ("the Act") and a subsidiary of The Bombay Burmah Trading Corporation, Limited.

2. Significant Accounting Policies

A) Statement of compliance

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendments) Rules, 2016, the relevant provisions of the Companies Act, 2013 ("the Act").

The management and authorities have the power to amend the financial statements in accordance with Section 130 and 131 of the Act.

B) Basis of preparation and presentation

i) Basis of Preparation

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value / Amortised Cost (refer accounting policy regarding financial instruments).

ii) Current-non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

- a) An asset shall be classified as current when it satisfies any of the following criteria:
 - It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
 - It is held primarily for the purpose of being traded;
 - It is expected to be realized within twelve months after the reporting date; or
 - It is Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.Current assets include the current portion of non-current financial assets.
- b) All assets other than current assets shall be classified as non-current.
- c) A liability shall be classified as current when it satisfies any of the following criteria:
 - It is expected to be settled in the company's normal operating cycle;
 - It is held primarily for the purpose of being traded;
 - It is due to be settled within twelve months after the reporting date; or
 - The company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.Current liabilities include the current portion of non-current financial liabilities.
- d) All liabilities other than current liabilities are classified as non-current.
- e) Based on the nature of activities of the company, the operating cycle for the purpose of classification of its assets & liabilities as current / non-current is considered as 12 months.

[Handwritten signature]

Afco Industrial and Chemicals Limited

Notes to the financial statements (continued)

for the year ended 31 March 2018

(Currency: Indian rupees)

- iii) Functional and presentation currency
These financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded to the nearest thousand, unless otherwise indicated
- iv) Key estimates and judgements
The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates.
- v) Property, plant and Equipment
Property, Plant & Equipments are stated at historical cost. As per Indian Accounting Standards (IndAS) the carrying amount of Property, Plant & Equipment as at the end of financial year 2014-15 has been considered as the deemed cost in preparation of financial statements for the financial year 2017-18 and comparatives.

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes inward freight, duties, taxes and incidental expenses related to acquisition and installation incurred up to the date of commissioning of the assets.

- vi) Depreciation and amortization
Depreciation is provided on the written down value method ('WDV') based on the useful life of the asset as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions is provided pro-rata from the date the assets are put to use. The fixed assets individually costing less than Rs 5000 are depreciated fully in the year of purchase.
- vii) Impairment of assets
The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

viii) Employee benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries,

[Handwritten signature]

Afco Industrial and Chemicals Limited

Notes to the financial statements (continued)

for the year ended 31 March 2018

(Currency: Indian rupees)

wages, and short term compensated absences, etc. and the expected cost of ex-gratia is recognized in the year in which the employee renders the related service.

(b) Post-employment benefits

i) Defined Contribution Plans: The Company's contribution to the recognized provident fund is a defined contribution plan. The contributions paid or payable by the Company under the scheme are recognized as an expense in the statement of profit and loss in the year in which the employee renders the related service.

(ii) Defined Benefit Plans: The Company's gratuity scheme is a defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the Other Comprehensive Income.

ix) Investments

Investments are carried at Fair value through Other Comprehensive Income. In case of quotations not available for investments, the fair value is deemed to approximate to cost.

x) Income taxes

Tax expense comprises of current tax and deferred tax.

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

xi) Earnings per share

The basic and diluted earnings per share (EPS) is computed by dividing Net Profit after tax for the year by weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date.

xii) Revenue Recognition

Dividend income is recognized when the right to receive payment is established

Handwritten signature and initials

Afco Industrial and Chemicals Limited

Notes to the financial statements (continued)

for the year ended 31 March 2018

(Currency: Indian rupees)

xiii) Provisions and Contingencies

- a) A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes to the financial statements. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- b) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying benefits is remote, no provision or disclosure is made.

xiv) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts.

a) Financial assets

Classification: On initial recognition, a financial asset is classified as, measured at:

- Amortized cost
- Fair Value through Other comprehensive Income (FVOCI)
- Fair value through Profit and Loss (FVTPL)

Initial recognition and measurement

All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Equity investments

All equity investments are measured at fair value through Other Comprehensive Income

b) Financial Liabilities

Classification: Financial liabilities are measured at Amortized cost.

- a) Terms and Rights attached to Equity Shares
The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The Company declares and pays dividend in Indian Rupees. The Dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual general Meeting. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

- b) Reconciliation of the shares outstanding at the beginning and at the end of reporting year.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Equity securities	Market comparison technique: The valuation model is based on market multiples derived from quoted prices of companies comparable to the investee and the expected revenue and EBITDA of the investee.	a. Forecast annual revenue growth RATE b. Forecast EBITDA c. Adjusted market multiple	The estimated fair value would increase (decrease) if: - the annual revenue growth rate were higher/ (lower) - the EBITDA margins were higher/(lower)

C. Financial risk management

Market risk is the risk that changes in market prices – such as interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments and long term debt.

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ;
- Interest rate risk
- Price risk

Afco Industrial and Chemicals Limited

Notes to the financial statements (continued)

Notes to the financial statements (*continued*)

for the year ended 31 March 2018

(Currency: Indian rupees)

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

Credit risk: Credit risk is the risk of financial loss to the Company if a counterparty to a financial instrument fails to meet its contractual obligations.

The carrying amount of following financial assets represents the maximum credit exposure:

Cash and cash equivalents

The Company held cash and cash equivalents of INR 9,78,978 at March 31, 2018 (March 31, 2017: INR 1,50,376). The cash and cash equivalents are held with banks with good credit ratings and financial institution counterparties with good market standing.

Liquidity risk: Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Market risk: Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to Market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of our investments. Thus, our exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

Interest rate risk: Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Price Risk: Price risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market prices not related to interest rate risk or currency exchange risk, whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Capital Management: The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business
