Britannia Dairy Holdings Pvt Ltd

Commentary of directors

for the year ended 31 March 2018

The directors are pleased to present their commentary together with the audited financial statements of Britannia Dairy Holdings Pvt Ltd (the "Company") for the year ended 31 March 2018. The financial statements have been prepared for non-statutory purposes.

Principal activity

The principal activity of the Company is to hold 'Dairy Trademarks'.

Results and dividend

The results for the year are shown on page 4.

The directors do not recommend the payment of dividend for the year under review (2017: nil).

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for the preparation and presentation of the financial statements in accordance with the requirements of The Mauritius Companies Act 2001 applicable to a company holding a Category 2 Global Business Licence, as described in note 1 to the financial statements, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or errors selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

The directors have made an assessment of the Company's ability to continue as a going concern and have no reason to believe the business will not be a going concern in the year ahead.

Auditors

The auditors, Navy and Yan, have indicated their willingness to continue in office.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDER OF BRITANNIA DAIRY HOLDINGS PVT LTD

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of BRITANNIA DAIRY HOLDINGS PVT LTD (the Company) set out on pages 4 to 15 which comprise the statement of financial position as at 31 March 2018, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Mauritius, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the Auditors' Responsibilities for the Audit of the Financial Statements is provided in the "Appendix to the Independent Auditors' Report". This description forms part of our Audit Report.

Other matter

This report is made solely to the company's shareholder. Our audit work has been undertaken so that we might state to the company's shareholder those matters we are required to state in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholder as a body, for our audit work, for this report, or for the opinions we have formed.

The engagement partner on the audit resulting in this independent auditor's report is Y. Nath Varma.

APPENDIX TO THE INDEPENDENT AUDITORS' REPORT

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements

for the year ended 31 March 2018

1. General information

Britannia Dairy Holdings Pvt Ltd (the "Company"), previously known as Britannia New Zealand Holdings Pvt Ltd, is a company incorporated under the laws of Mauritius on 23 March 2005, as a private company limited by shares, regulated and licensed by the Financial Services Commission of Mauritius as a Category 2 Global Business Licence Company under the Financial Services Act 2007. The Registered office and main place of business of the Company is 4th Floor, 19 Bank Street, Cybercity 72201, Ebene, Republic of Mauritius.

The main activity of the Company is to hold 'Dairy Trademarks'.

2. Basis of preparation

(a) Basis of preparation of financial statements

The Company's financial statements comply with the requirements of the International Financial Reporting Standards ("IFRS") and interpretations adopted by the International Accounting Standards Board ("IASB").

(b) Basis of measurement

The financial statements have been prepared under the historical cost basis.

(c) Functional and presentation currency

The Company's financial statements are presented in United States Dollar ("USD") which is the Company's functional currency.

3. Use of estimates and judgements

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

4. Significant accounting policies

New standards, interpretations and amendments to published standards

(i) New standards effective and adopted during the year

Disclosure Initiative - Amendments to IAS 1: The amendments to IAS 1 Presentation of Financial Statements are made in the context of the IASB's Disclosure Initiative, which explores how financial statement disclosures can be improved.

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements for the year ended 31 March 2018

4. Significant accounting policies (continued)

(ii) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning on or after 1 January 2017, and have not been applied in preparing these financial statements. Those which may be relevant to the Company are set out below. The Company does not plan to adopt these standards early. These will be adopted in the period that they become mandatory unless otherwise indicated.

IFRS 9 Financial Instruments

On 24 July 2014, the IASB issued the final IFRS 9 Financial Instruments Standard, which replaces earlier versions of IFRS 9 and completes the IASB's project to replace IAS 39 Financial Instruments: Recognition and Measurement. The standard is effective for annual periods beginning on or after 1 January 2018 with retrospective application, early adoption is permitted. This new standard will have no impact on the financial statements of the Company.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements:

(a) Revenue

Royalties are recognised provided that it is probable that the economic benefits will flow to the enterprise and the amount of revenue can be measured reliably on an accruals basis in accordance with the substance of the relevant agreement. The company did not derive income from Royalties during the year.

(b) Financial Instruments

Non-derivative financial assets

The Company classifies accounts receivable as non-derivative financial assets.

Accounts receivable

Accounts receivable are recognised initially at cost and subsequently at fair value, if this can be calculated, plus any directly attributable transaction costs less any impairment losses.

Accounts payable

Accounts payable are recognised initially at cost and subsequently measured at amortised cost using the effective interest method, unless this is not appropriate, in which case they are measured at cost.

Derecognition of financial assets and liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability.

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements
for the year ended 31 March 2018

4. Significant accounting policies (continued)

(b) Financial Instruments (Continued)

Derecognition of financial assets and liabilities (Continued)

The Company derecognises a financial liability when its contractual obligations are discharged, cancelled or expires.

(c) Intangible Assets

An intangible asset is an identifiable non-monetary asset without physical substance.

Intangible assets such as Trademark, meeting the relevant recognition criteria are initially measured at cost and amortised on a systematic basis over their estimated useful lives. Acquired trademarks are carried at cost less accumulated amortisation and impairment. Trademarks with indefinite lives are not amortised but are reviewed annually for impairment. Other trademarks are amortised on a straight-line basis over their remaining useful lives, consistent with the pattern of economic benefits expected to be received, which do not exceed 20 years. Any impairments of trademarks are recognised in the income statement but increases in trademark values are not recognised.

(d) Impairment of assets

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the recoverable amount of assets is below the carrying amount. In case that the carrying value of an asset exceeds its recoverable amount, the Company recognises the impairment in the statement of profit or loss and other comprehensive income.

(e) Provisions

A provision is recognised if, as a result of past event, the Company has a present legal or constructive obligation that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation.

(f) Expenses

Expenses are accounted under the accrual basis.

(g) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

(h) Related parties

Related parties are individuals and companies where the individual or company has the ability, directly or indirectly to control the other party or exercise significant influence over the party in making financial and operating decisions.

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements for the year ended 31 March 2018

4. Significant accounting policies (continued)

(i) Foreign currency transactions

Transactions in foreign currencies are translated to the functional currency of the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the end of the reporting period are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the reporting period.

Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Foreign currency differences arising on retranslation are recognised in profit or loss, except for differences arising on the retranslation of available-for-sale equity instruments, which are recognised in other comprehensive income. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

5. Taxation

A Company holding a Category 2 Global Business Licence is exempt from tax. It is considered as non-resident for treaty purposes and is thus not covered by any Double Taxation Agreement concluded by Mauritius, except for exchange of information purposes, if the agreement so provides.

6. Intangible Asset

	2018 USD	2017 USD
Balance at start	3,052,920	3,434,535
Amortised during the year	(381,615)	(381,615)
Balance at end	<u>2,671,305</u>	<u>3,052,920</u>

The intangible asset consists of a trade mark that had been assigned to the Company on 31 March 2005. The Directors had estimated the useful life of the asset to be of 20 years. The intangible asset is amortized over its estimated useful life using the straight line method.

The Holding Company intends to expand its Dairy operations in India. A significant amount of Capital Expenditure will be made in the Integrated Food Park project in Maharashtra. This project is likely to come up over the next 3 years. Currently, the branding strategy is under way and will be finalized by the time the project comes up. The "Milkman" brand, a dairy trademark held by the Company, is likely to play a crucial role in the said process and thus it is expected that significant Royalty income will be recorded in the near future. The yearly amortization of the trade mark will thus be maintained.

Britannia Dairy Holdings Pvt Ltd

**Notes to and forming part of the audited financial statements
for the year ended 31 March 2018**

7. Accounts receivable

	2018 USD	2017 USD
Prepayments	<u>783</u>	<u>783</u>

8. Share capital

	<u>7,413,000</u>	<u>7,413,000</u>

The ordinary shares confer the following rights:

- (a) the right to receive notice of and to vote at any meeting of the shareholders, with each ordinary share having one vote;
- (b) an equal right on the distribution of income and capital as amongst themselves; and
- (c) in a winding up shall have the rights set out in paragraph 23 of the constitution.

The Class "C" shares have the following rights:

- (a) the Class "C" shares will confer on the holder thereof the right to receive, as and when declared by the board out of funds legally available thereof, a dividend (cash or otherwise), provided however that such right to dividend shall be subject to payment of dividend to holders of equity shares carrying voting rights at such rate as may be deemed appropriate by the Board;
- (b) each member holding Class "C" shares shall be entitled to receive notice of an attend meeting of members, but this right shall not confer on such members the right to vote on any resolution or other matter affecting the Company except on a resolution to terminate and dissolve the Company and on a resolution to vary the rights of the Class "C" shares; and
- (c) in a winding up, the holders of the Class "C" shares shall not be entitled for repayment of the capital paid on the Class "C" shares but shall be entitled participate in the distribution of surplus assets pari passu with the ordinary shares in accordance with paragraph 23 of the constitution.

9. Accounts payable

10. Financial risk management

Overview

This note presents information about the Company's exposure to financial risk, the Company's objectives, policies and processes for measuring and managing risks, and the Company's management of capital. Further quantitative disclosures are included throughout these financial statements.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company has exposure to mainly the following risk from its use of financial instruments:

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

At 31 March 2018	Carrying amount	Less than 1 year	More than 1 year
<i>Non-derivative financial instruments</i>	USD	USD	USD
Accounts payable	24,616	24,616	-
	<u>24,616</u>	<u>24,616</u>	<u>-</u>
At 31 March 2017	Carrying amount	Less than 1 year	More than 1 year
<i>Non-derivative financial instruments</i>	USD	USD	USD
Accounts payable	11,571	11,571	-
	<u>11,571</u>	<u>11,571</u>	<u>-</u>

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements for the year ended 31 March 2018

10. Financial risk management (continued)

Fair values

The carrying amounts of intangible asset, accounts receivable and accruals approximated their fair values at 31 March 2018.

The Company complies with the requirements of IFRS 7 which requires that the classification of financial instruments at fair value be determined by reference to the source of inputs used to derive the fair value. This classification uses the following three-level hierarchy:

- Level 1 Quoted (unadjusted) prices in active markets for identical assets or liabilities;
- Level 2 Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and
- Level 3 Techniques which use inputs which have significant effect on the recorded fair value that are not based on observable market data.

There was no financial instrument measured at fair value at 31 March 2018.

Financial instruments not measured at fair value

The following table sets out the fair values of financial instruments not measured at fair value and analyses it by the level in the fair value hierarchy into which each fair value measurement is categorized:

	Level 1	Level 2	Level 3	Total
31 March 2018	USD	USD	USD	USD
<i>Financial liabilities</i>				
Accounts payable	-	-	24,616	24,616
	Level 1	Level 2	Level 3	Total
31 March 2017	USD	USD	USD	USD
<i>Financial liabilities</i>				
Accounts payable	-	-	11,571	11,571

Capital risk management

The Company's objective when managing capital are to safeguard the Company's ability to continue as going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust dividend payments to shareholders, return capital to shareholders or issue new shares.

Britannia Dairy Holdings Pvt Ltd

Notes to and forming part of the audited financial statements
for the year ended 31 March 2018

11. Related party disclosures

During the year under review, the Company transacted with related parties. Details of the nature, volume of transactions and balances with the related parties are as follows:-

Name of related party and nature of transaction	2018	2017	2018	2017
	Volume of transactions	Volume of transactions	Closing balance	Closing balance
