Independent Auditor's Report

To the Members of Boribunder Finance and Investments Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Boribunder Finance and Investments Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2021, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Directors' Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Offices in Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiook & Co LLP is registered with limited liability with identification number AAC-2085 and its registered office at L-41 Connaught Circus, New Delhi, 110001, India

Responsibilities of Management for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

Walker ChandioK & Co LLP

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
10. We communicate with board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

11. The financial statements of the Company for the year ended 31 March 2020 were audited by the predecessor auditor, BSR & Co LLP, who have expressed an unmodified opinion on those financial statements vide their audit report dated 01 June 2020.

Report on Other Legal and Regulatory Requirements

12. Based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
13. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
14. Further to our comments in Annexure I, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report dated 26 April 2021 as per Annexure II expressed unmodified opinion; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigation which would impact its financial position as at 31 March 2021;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2021;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021; and

Walker ChandioK & Co LLP

- iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these financial statements. Hence, reporting under this clause is not applicable.

Walker ChandioK & Co LLP

Annexure I to the Independent Auditor's Report of even date to the members of Boribunder Finance and Investments Private Limited on the financial statements for the year ended 31 March 2021

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i) The Company does not have any fixed assets. Accordingly, the provisions of clause 3(i) of the Order are not applicable.
- ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.
- iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- iv) In our opinion, the Company has not entered into any transaction covered under Sections 185 and 186 of the Act. Accordingly, the provisions of clause 3(iv) of the Order are not applicable.
- v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products/ services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- vii) (a) The Company is regular in depositing undisputed statutory dues including income-tax, cess and other material statutory dues, as applicable, to the appropriate authorities. The Company did not have any dues on account of Provident Fund, Employees' State Insurance, Duty of customs, Goods and Services tax, Sales-tax, Duty of excise and Value Added Tax during the year. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.

(b) There are no dues in respect of income-tax that have not been deposited with the appropriate authorities on account of any dispute. The Company did not have dues on account of Duty of customs, Goods and Services tax, Sales-tax, Duty of excise and Value Added Tax.
- viii) The Company has no loans or borrowings payable to a financial institution or a bank or government. The Company did not have any outstanding debentures during the year. Accordingly, the provisions of clause 3(viii) of the Order are not applicable.
- ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) and did not have any term loans outstanding during the year. Accordingly, the provisions of clause 3(ix) of the Order are not applicable.
- x) No fraud by the Company or on the company by its officers or employees has been noticed or reported during the period covered by our audit.
- xi) The Company has not paid or provided for any managerial remuneration. Accordingly, the provisions of Clause 3(xi) of the Order are not applicable.
- xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.

Walker ChandioK & Co LLP

Annexure I to the Independent Auditor's Report of even date to the members of Boribunder Finance and Investments Private Limited on the financial statements for the year ended 31 March 2021 (cont'd)

- xiii) In our opinion, all transactions with the related parties are in compliance with Section 188 of the Act, where applicable, and the requisite details have been disclosed in the financial statements, as required by the applicable Ind AS. Further, in our opinion, the company is not required to constitute audit committee under Section 177 of the Act.
- xiv) During the year, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- xv) In our opinion, the company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- xvi) The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditor's Report of even date to the members of Boribunder Finance and Investments Private Limited on the financial statements for the year ended 31 March 2021

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Boribunder Finance and Investments Private Limited ('the Company') as at and for the year ended 31 March 2021, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Walker Chandiook & Co LLP

Annexure II to the Independent Auditor's Report of even date to the members of Boribunder Finance and Investments Private Limited on the financial statements for the year ended 31 March 2021 (cont'd)

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Boribunder Finance and Investments Private Limited

Notes to the financial statements

1. Reporting entity

Boribunder Finance and Investments Private Limited ("the Company") is a private limited company incorporated in 1983 under the provisions of the Indian Companies Act, 1956 as a subsidiary of Britannia Industries Limited.

2. Basis of preparation

A. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules 2015, as amended, notified under Section 133 of Companies Act, 2013, ('the Act') and other relevant provisions of the Act.

The financial statements were authorized for issue by the Company's Board of Directors on 26 April 2021.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded off to the nearest thousands, unless otherwise indicated.

C. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair Value

D. Use of estimates and judgements

The preparation of financial statements in accordance with Ind AS requires use of judgements, estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates. Estimates and underline assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2021 is included in the following notes:

- Note: 21 Financial instruments - Fair values and risk management

Boribunder Finance and Investments Private Limited

Notes to the financial statements (continued)

E. Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for financial instruments.

The Company has an established control framework with respect to the measurement of fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. (Refer to note 21 for information on detailed disclosures pertaining to measurement of fair values).

3. Significant accounting policies

a. Income taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Boribunder Finance and Investments Private Limited

Notes to the financial statements (continued)

(ii) *Deferred tax*

"Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.

- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future."

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The Credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income-tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists. MAT credit entitlement at year end is grouped with Deferred Tax Asset (net) in the Balance Sheet of an entity.

Boribunder Finance and Investments Private Limited

Notes to the financial statements (continued)

b. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, current accounts, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

c. Earnings per share

The basic and diluted earnings per share (EPS) is computed by dividing Net Profit after tax for the year by weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date.

d. Revenue Recognition

Revenue is measured at fair value of consideration received or receivable.

Other income

1. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate method.
2. Dividend income is recognised when the right to receive payment is established and it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of the revenue can be measured reliably.

e. Provisions and contingencies

- a. *General:* A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes to the financial statements. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- b. *Contingent liabilities:* A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Boribunder Finance and Investments Private Limited

Notes to the financial statements (continued)

- c. *Onerous contracts*: Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

f. Financial instruments

(i) *Recognition and initial measurement*

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

(ii) *Classification and subsequent measurement*

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

20 Capital management

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business. In order to maintain the capital structure the Company monitors the return on capital, as well as the level of dividends to equity shareholders. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes maturities of finance lease obligations.

21 Financial instruments - Fair values and risk management(Continued)

Rs. in thousands

Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Managing Board. The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Company if a counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, that it will always have sufficient liquidity to meet its liabilities when due. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The Company aims to maintain the level of its cash and cash equivalents at an amount in excess of expected cash outflows on financial liabilities over the next six months. The Company also monitors the level of expected cash inflows on cash and bank balances together with expected cash outflows on accrued expenses. At 31 March 2021, the expected cash flows from cash and bank balances is Rs. 891 (31 March 2020: Rs.1,865). This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2021 and 31 March 2020 :

Particulars	As at 31 March 2021		
	Less than 1 year	1-2 years	2 years and above
Non-derivative financial liabilities			
Accrued expenses	252	-	-
	252	-	-

Particulars	As at 31 March 2020		
	Less than 1 year	1-2 years	2 years and above
Non-derivative financial liabilities			
Accrued expenses	313	-	-
	313	-	-

Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates and interest rates - will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Impact of COVID-19

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets & liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk, market risk and interest risk and does not foresee any material impact on account of the same.

22 During the year ended 31 March 2021, no material foreseeable loss (31 March 2020: Nil) was incurred for any long-term contract including derivative contracts.

23 Comparative figures have been regrouped/ reclassified wherever necessary to conform to current period's presentation.
