Independent Auditor's Report

To the Members of International Bakery Products Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of International Bakery Products Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Dehradun, Goa, Gurugram, Hyderabad, Indore, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiook & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41 Connaught Circus, Outer Circle, New Delhi, 110001, India

Walker Chandiok & Co LLP

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
8. As part of an audit in accordance with Standards on Auditing, specified under Section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

Walker Chandiook & Co LLP

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

10. Based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable.
11. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
12. Further to our comments in Annexure I, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) Except for the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 12(b) above on reporting under Section 143(3)(b) of the Act and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2026 and the operating effectiveness of such controls, refer to our separate report in Annexure II wherein we have expressed unmodified opinion; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 29 to the financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2026;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2026;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2026;

Walker Chandio & Co LLP

iv.

- a. The Management has represented that, to the best of its knowledge and belief, as disclosed in note 33 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The Management has represented that, to the best of its knowledge and belief, as disclosed in note 33 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year ended 31 March 2026.

vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2025, has used an accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. The audit trail feature at the database level was enabled from 01 September 2025 for accounting software to log any direct data changes, used for maintenance of all accounting records by the Company and was operational since then except for the period from 12 December 2025 to 19 February 2026 where it was disabled pursuant to server migration related activities. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention except for the period referred above at database level and for the period 01 April 2023 to 08 July 2024 considering system memory issues at application level.

Walker Chandio & Co LLP

Annexure I referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.

(B) The Company does not have any intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The property, plant and equipment have been physically verified by the Management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 4 to the financial statements, are held in the name of the Company.
- (d) The Company has not revalued its property, plant and equipment including during the year. Further, the Company does not hold any intangible assets.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The Management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the Management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records.
- (b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments made, as applicable. Further, the Company has not entered into any transaction covered under section 185 and section 186 of the Act in respect of loans granted, guarantees and security provided by it.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products/services/business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

Walker Chandiok & Co LLP

Annexure I referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

- (vii)(a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, we report that there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

(amount in ₹ thousands)

Name of the statute	Nature of dues	Gross Amount (Rs.)	Amount paid under Protest (Rs.)	Period to which the amount relates	Forum where dispute is pending
Income-tax Act, 1961	Income Tax	588	-	2012-13	Income Tax Officer, Chennai
The Central Sales tax Act, 1956	Sales Tax	128	-	2013-14	Tax Officer
Goods and Services tax Act, 2017	GST	80,291	2,303	2017-18	GST Appellate Tribunal (GSTAT)
		36,826	1,419	2018-22	Appellate Authority up to Commissioner level

- (viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including confirmations received from other lenders and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.

Walker Chandiok & Co LLP

Annexure I referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

- (e) According to the information and explanations given to us, we report that the Company does not have any subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) and clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under Section 133 of the Act.
- (xiv)(a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.

Walker Chandiok & Co LLP

Annexure I referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the financial statements, our knowledge of the plans of the Board of Directors and Management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not meet the criteria as specified under sub-section (1) of Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according, reporting under clause 3(xx) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Walker Chandiok & Co LLP

Annexure II to the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of International Bakery Products Limited ('the Company') as at and for the year ended 31 March 2026, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to the financial statements as per criteria established by the Company after considering the essential components of internal control stated in the Guidance Note on Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

Walker Chandiok & Co LLP

Annexure II to the Independent Auditor's Report of even date to the members of International Bakery Products Limited on the financial statements for the year ended 31 March 2026

unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2026, based on internal financial controls with reference to the financial statements as per criteria established by the Company after considering the essential components of internal control stated in the Guidance Note on Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

International Bakery Products Limited
Notes to financial statements

1 Corporate Information

International Bakery Products Limited ('IBPL' / 'Company') was incorporated on April 2, 1997. The Company is a subsidiary of Britannia Industries Limited, a public company incorporated in India. The Company is primarily engaged in manufacturing of various biscuits for Britannia Industries Limited ('BIL') and caters to domestic markets.

2 Basis of preparation

A Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on 4 May 2026.

Details of the Company's material accounting policies are included in Note 3.

B. Current and Non-current Classification

The Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities. This is based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents.

C. Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to the nearest thousands, unless otherwise indicated.

D. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

E. Use of estimates and judgements

In preparing these financial statements, the Company has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2026 is included in the following notes:

- Note 3(a)(iii) and 4 - useful life of property, plant and equipment
- Notes 3 (b), (e), 6, 7, 9, 11 and 33- impairment of financial assets.
- Note 3(g) and 5 - recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;
- Note 3(i) and 29 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 3(j) and 31 - measurement of defined benefit obligations: key actuarial assumptions;

F. Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into a different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in the measuring fair values is included in the following notes:

- Note 33 - financial instruments.

(This space has been intentionally left blank)

3. Material accounting policy information

(a) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment, are measured at cost (which includes capitalised borrowing costs, if any) less accumulated depreciation and accumulated impairment. Cost of an item of property, plant and equipment includes its purchase price, duties and taxes levied to the extent they are not eligible to be availed as input tax credit, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost can be reliably measured.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight line method over the useful lives of assets as per schedule II to the Companies Act, 2013 and is recognised in the Statement of Profit and Loss. Assets acquired under finance lease are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Depreciation for assets purchased / sold during the period is proportionately charged.

The range of estimated useful lives of items of property, plant and equipment are as follows:

Assets	Useful lives
Leasehold land	Lease period
Buildings	30 - 60 years
Plant and machinery*	7.5 - 15 years
Furniture, fittings and office equipments	5-10 years
Computers and Computers accessories	3 - 6 years
Motor vehicles	8 years

Freehold land is not depreciated.

* The Company believes the useful lives as given above best represent the useful life of these assets based on internal assessment where necessary, which is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

iv. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

(b) Impairment

(i) Financial assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through Statement of Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL under simplified approach. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in the Statement of Profit and Loss.

(ii) Non-financial assets

Property, plant and equipment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

3. Material accounting policy information (continued)

(c) Leases

The Company at the inception of a contract, assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee recognises a Right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company does not recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. As a lessor, the Company shall classify each of leases either as finance or an operating lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability is reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included under property, plant and equipment and lease liabilities have been included under financial liabilities.

As a lessor

Lease income from operating leases, where the Company is a lessor, is recognised on a straight-line basis over the lease term.

(d) Inventories

Inventories are valued at the lower of cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. The comparison of cost and net realisable value is made on an item-by-item basis. The net realisable value of materials in process is determined with reference to the selling prices of related finished goods. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

The provision for inventory obsolescence is assessed regularly based on estimated usage and shelf life of products.

Raw materials, packing materials and stores and spares are valued at cost computed on moving weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Work-in-progress is valued at input material cost plus conversion cost as applicable.

Finished goods and stock-in-trade are valued at the lower of net realisable value and cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a moving weighted average basis.

(e) Financial instruments

i. Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

ii. Classification and subsequent measurement

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Investment in subsidiaries, joint venture and associates

Investment in subsidiaries, joint venture and associates is carried at cost in the financial statements.

International Bakery Products Limited

Notes to financial statements (continued)

3. Material accounting policy information (continued)

(e) Financial instruments (continued)

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the Statement of Profit and Loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

(f) (i) Revenue recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Sale of goods

Revenue is recognised when a customer obtains control of the goods which is ordinarily upon dispatch at the factory gate of our company. Revenue is recognised at a transaction price allocated to the extent of performance obligation satisfied after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax, etc. For certain contracts that permit the customer to return an item, revenue is recognised to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognised will not occur. As a consequence, for those contracts for which the Company is unable to make a reasonable estimate of return, revenue is recognised when the return period lapses or a reasonable estimate can be made. A refund liability and an asset for recovery is recognised for these contracts and presented separately in the balance sheet.

(ii) Other recognitions

(a) For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the Statement of Profit and Loss.

(g) Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.

- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

(This space has been intentionally left blank)

(h) **Borrowing costs**

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

(i) **Provisions and contingent liabilities**

i. General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(j) **Employee benefits**

i. Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service.

ii. Post-employment benefits

Contributions to defined contribution schemes such as Provident Fund, Pension Fund, etc., are recognised as expenses in the period in which the employee renders the related service. In respect of contributions made to government administered Provident Fund, the Company has no further obligations beyond its monthly contributions. The Company also provides for post-employment defined benefit in the form of gratuity and medical benefits. The cost of providing benefit is determined using the projected unit credit method, with actuarial valuation being carried out at each balance sheet date. Remeasurement of the net benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interests) and the effect of the assets ceiling (if any, excluding interest) are recognised in other comprehensive income.

iii. Other long-term employee benefits

All employee benefits (other than post-employment benefits and termination benefits) which do not fall due wholly within twelve months after the end of the period in which the employees render the related services are determined based on actuarial valuation or discounted present value method carried out at each balance sheet date. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary every year using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

iv. Voluntary retirement scheme benefits

Voluntary retirement scheme benefits are recognised as an expense in the year they are incurred.

(k) **Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

International Bakery Products Limited
Notes to financial statements (continued)

3. Material accounting policy information (continued)

(l) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

(m) Statement of cash flows

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

(n) Segment Reporting

Operating segments are reported in a manner consistent with internal reporting provided to the Chief Operating Decision Maker (CODM).

(o) Recent accounting pronouncements

Lack of exchangeability – Amendments to Ind AS 21

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments do not have a material impact on the Financial Statements.

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants-Amendments to Ind AS 1

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1, Presentation of Financial Statements, which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period;
 - a) must have substance, and b) must exist at the end of the reporting period;
- stating that management's expectations around whether the settlement of a liability would be deferred or not, does not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied

with in the future when considering the classification of the debt as current or non-current. In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Financial Statements.

Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Financial Statements.

International Tax Reform - Pillar Two Model Rules - Amendments to Ind AS 12

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12, Income Taxes, which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Financial Statements.

New standards and amendments to existing Standards which are issued but are not yet effective and have not been early adopted by the Company

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants-Amendments to Ind AS 1

Paragraph 74 of Ind AS 1 currently effective for the year ended 31 March 2026 requires the entity not to classify the liability as current, if there is a breach of a material covenant of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, however, the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

MCA vide notification dated 13 August 2025, has introduced amendment under Paragraph 74 of Ind AS 1 which requires the entity to classify the liability as current under the aforementioned situation because, at the end of the reporting period, it does not have the right to defer its settlement for at least twelve months after that date. Such amendment has been made effective for annual reporting periods beginning on or after 01 April 2026 retrospectively in accordance with Ind AS 8.

This amendment is not expected to have a material impact on the Financial Statements.

29 Contingent liabilities and commitments

(i) Contingent liabilities:

(a) Claims / demands against the Company not acknowledged as debts including income tax and sales tax

3,610

-

(b) Bank guarantee for

7,473

-

(ii) Commitments:

Estimated amount of contracts remaining to be executed on capital account (net of capital advances) and not provided for ₹ 4,498 (31 March 2025 : ₹ 14,855)

Note : The Supreme court of India in the month of February 2019 has passed a judgement relating to definition of wages under the Provident Fund Act, 1952. However, considering that there are numerous interpretative issues relating to this judgement and in the absence of reliable measurement of the provision for the earlier periods, the Holding Company (Britannia Industries Limited) has recognised a provision in its books for provident fund contribution with respect to Company's employees only for the current year and does not expect any material impact of the same. Accordingly, no provision has been recognised in the Company's books. The Company will evaluate the position and create provisions if required on receiving further clarity on the subject.

30 Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes.

The Operating segment of the Company is identified to be "Foods" as the CODM reviews business performance at an overall Company level as one segment.

Revenue from major customers

The Company has a single customer (Refer note 32).

Revenue comprises:

Revenue from sale of goods (excluding other operating revenues)

31 March 2026

31 March 2025

38,94,967

37,93,909

31 Disclosure in respect of employee benefits

The Company makes contributions, determined as a specified percentage of employee's salary, in respect of qualifying employee towards provident fund and which is a defined contribution plan. The Company has no obligations other than to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue. The amount recognised as an expense towards contribution to these funds for the year aggregated to ₹ 5,132 (31 March 2025: ₹ 5,587) and is included in "Employee benefits expense" in note 25.

Defined benefit plans

The Company has a gratuity plan which is in the nature of defined benefit. Every employee who has completed five years or more of service is entitled to gratuity. The scheme is funded with Life Insurance Corporation of India. The Company make annual contribution to the Life Insurance Corporation of India. The following table sets out the status of the Gratuity Plan as required under Ind-AS:

31 Disclosure in respect of employee benefits (continued)

a. Gratuity plan

The following table sets out the status of the gratuity plan as required under Ind AS 19:

	31 March 2026	31 March 2025
1 Reconciliation of net defined benefit liability		
(i) Reconciliation of present value of defined benefit obligation		
Obligations as at 1 April 2025	25,392	27,671
Current service cost	1,831	1,775
Past service cost	1,656	
Interest cost	1,688	1,825
Benefits settled	(3,020)	(5,549)
Actuarial (gain) loss due to demographic assumption change	-	(6)
Actuarial (gain) loss due to financial assumptions	-	600
Actuarial (gain) loss due to experience adjustments	287	(924)
Obligations as at year end 31 March 2026	27,834	25,392
(ii) Reconciliation of present value of plan assets:		
Plan assets as at 1 April 2025 at fair value	6,839	7,830
Expected return on plan assets	465	564
Employer contributions	6,000	3,994
Benefits settled	(3,020)	(5,549)
Actuarial gain (loss)	(425)	-
Plan assets as at 31 March 2026 at fair value	9,859	6,839
(iii) Reconciliation of present value of obligation on the fair value of plan assets		
Present value of obligation as at 31 March 2026	27,834	25,392
Plan assets as at 31 March 2026 at fair value	9,859	6,839
Amount recognised in balance sheet liability	17,975	18,553
2 Expenses recognised in the Statement of Profit and Loss under Employee benefit expense:		
Current service cost	1,831	1,775
Past service cost	1,656	
Interest cost	1,688	1,825
Interest income	(465)	(564)
Net cost	4,710	3,036
3 Remeasurements recognised in Other comprehensive income		
(Gain) loss recognised in statement of other comprehensive income	712	(330)
Net gratuity cost	5,422	2,706
4 Amount recognised in the balance sheet:		
Opening asset	18,553	19,841
Expense (Refer 2 & 3 above)	5,422	2,706
Employers' contribution paid	(6,000)	(3,994)
Closing liability	17,975	18,553
5 Experience adjustment:		
On plan liabilities (gain) loss	287	(924)
On plan assets gain	(425)	-
6 Maturity profile of defined benefit obligation:		
Within 1 year	4,140	3,562
1-2 year	3,724	2,943
2-3 year	4,756	3,789
3-4 year	2,397	4,354
4-5 year	3,170	2,189
5-10 year	18,845	17,009
7. Weighted average duration of the defined benefit obligation	6 years	6 years
8. Expected contribution for the next year	4,140	3,562
9. Sensitivity analysis		
The sensitivity analysis of significant actuarial assumption as of end of reporting period is shown below:		
The changes in the closing balances of obligation as at year end is as follows:		
A. Discount rate		
Discount rate -50 basis points	886	(744)
Assumptions	6.30%	6.30%
Discount rate +50 basis points	(828)	794
Assumptions	7.30%	7.30%
B. Salary increase rate		
Salary rate -50 basis points	(785)	740
Assumptions	4.50%	4.50%
Salary rate +50 basis points	815	(703)
Assumptions	5.50%	5.50%
C. Withdrawal rate		
Withdrawal rate -100 basis points	(227)	167
Withdrawal rate +100 basis points	202	(187)
Financial assumptions at Balance sheet date:		
Discount rate	6.80%	6.80%
Estimated rate of return on plan assets	6.80%	6.80%
Mortality rate:	Indian Assured Lives Mortality (2012-14) Ult.	Indian Assured Lives Mortality (2012-14) Ult.
Salary escalation	5.00%	5.00%
Attrition rate	4.00%	4.00%
Retirement age (in years)	58	58

The Company assesses these assumptions with the projected long-term plans of growth and prevalent industry standards.

Note:

(i) Plan assets comprise of contribution to Group Gratuity Scheme of Life Insurance Corporation of India.

(ii) The gratuity expenses have been recognised in 'Contribution to provident and other funds' (Refer note 25)

(iii) The expected return on plan assets is determined considering several applicable factors mainly the composition of the plan assets held, assessed risks of asset management, historical results of the return on plan assets and the Company's policy for plan asset management.

(iv) The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes, collectively referred to as the 'New Labour Codes' and notified these with effect from 21 November 2025. The New Labour Codes, amongst other changes, provide a unified definition of "Wages" to be applied across various employee benefit computations. As a result of this, the Company has recognised as a past service cost towards gratuity and compensated absences. The Company continues to monitor the developments relating to the implementation of the New Labour Codes and will review the estimates based on notification of final rules.

8.

33 Financial instruments - fair values and risk management (continued)

The Company has exposure to the following risks arising from financial instruments:

- Market risk
- Credit risk and
- Liquidity risk
- Price risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Financial risk factors

(i) Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices will affect the Companies income or the value of holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters and optimising the return.

(ii) Foreign currency risk

The Company's operations does not give rise to any foreign currency risk exposure. Hence no disclosure is made in the financial statements.

(iii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's borrowing comprises of term loan which carries fixed rate of interest which do not expose it to interest rate risk. Further, the Company does not have any other borrowing.

(iv) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and cash equivalents, other bank balances is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies. The Company's credit risk in case of all other financial instruments is negligible.

The Company assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business.

Trade and other receivables

The entire revenue appearing in the financial statements is generated from a single customer. Further, as the Company is dealing with a single customer, the impairment analysis is performed for the debtors that are past due at the end of each reporting date. The Company does not have any receivables that are past due and accordingly no allowance for doubtful debts had been considered.

Other financial assets

The credit risk relating to cash and cash equivalents, trade receivables, investments in equity instruments, trade payables and other financial assets and liabilities approximate their carrying amount largely due to the nature of these instruments. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets as at 31st March 2026 and 31st March 2025. To reduce this risk, The Company's Treasury department has concentrated its main activities with a limited number of counter-parties which have secure credit ratings. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Company's Treasury department.

(v) Liquidity risk

The financial liabilities of the Company include loans and borrowings, trade and other payables. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool.

The below is the detail of contractual maturities of the financial liabilities of the Company at the end of each reporting period:

Exposure to liquidity risk

The table below provides details regarding the contractual maturities of financial liabilities as of 31 March 2026

Particulars	Carrying amount	Less than 1 year	1-2 years	2-5 years	More than 5 years
Borrowings (refer note 15) *	1,60,000	1,61,074	-	-	-
Trade payables (Refer note 16)	2,23,664	2,23,664	-	-	-
Other financial liabilities (Refer note 17)	22,757	22,757	-	-	-
	4,06,421	4,07,495	-	-	-

* includes interest

The table below provides details regarding the contractual maturities of financial liabilities as of 31 March 2025

Particulars	Carrying amount	Less than 1 year	1-2 years	2-5 years	More than 5 years
Trade payables (Refer note 16)	4,14,298	4,14,298	-	-	-
Other financial liabilities (Refer note 17)	27,838	27,838	-	-	-
	4,42,136	4,42,136	-	-	-

(vi) Price risk

The Company's exposure to price risk arises from investments held and classified in the Balance Sheet either as fair value through other comprehensive income or as fair value through profit or loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

International Bakery Products Limited**Notes to financial statements (continued)**

(all amounts in ₹ thousands, unless otherwise mentioned)

34 Capital management

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business. In order to maintain the capital structure, the Company monitors the return on capital. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes borrowings from bank.

35 A. Revenue streams

The Company is primarily involved in manufacturing and sale of various food products. Other sources of revenue include scrap sales.

	Note	31 March 2026	31 March 2025
Sale of goods	20	38,94,967	37,93,909
Other operating revenues	21	13,940	15,408
Total revenue		39,08,907	38,09,317

The Company does not incur any cost to obtain or fulfil a contract with the customer.

B. Disaggregation of revenue from contracts with customers

Entire revenue of the business is generated from the operations in India.

C. Contract balances:

Assets and liabilities related to contracts with customers:

Particulars	31 March 2026	31 March 2025
Trade receivables (refer note 9)	78,393	60,907
Contract asset - Unbilled revenue (refer note 11)	47,393	1,41,475
Contract liability - Advance from customers (refer note 18)	621	610

Trade receivables are non-interest bearing and are generally on short term basis. The Company has recognised nil provision for expected credit loss on trade receivables as at 31 March 2026 (31 March 2025: Nil).

Contract assets primarily relate to the Company's right to consideration for work completed but not yet billed at reporting date for difference in agreed terms by customers. Contract assets are transferred to receivables when the rights become unconditional.

Contract liabilities primarily relate to the Company's obligation to transfer goods or services to customer for which the Company has not invoiced the customer or received advances from the customer for rendering of services. Contract liabilities are recognised as revenue as the Company performs under the contract.

Particulars	31 March 2026	31 March 2025
Contract assets at the beginning of the year	1,41,475	44,796
Billed during the year	(94,082)	96,679
Contract assets at the end of the year	47,393	1,41,475

Particulars	31 March 2026	31 March 2025
Contract liabilities at the beginning of the year	610	3,384
Advance received from customers during the year, net	11	(2,774)
Contract liabilities at the end of the year	621	610
